

# CONSTRUCTION WORK NOTICE

## AIRPORT GUIDEWAY AND STATIONS PROJECT

### KAMEHAMEHA HIGHWAY

### BETWEEN THE NIMITZ VIADUCT AND PU'UHALE ROAD

### ONGOING THROUGH DECEMBER 2021

Construction for the Honolulu Rail Transit Project between the Nimitz Viaduct and Pu'uhale Road will continue through December 2021.

Work in this area includes lane closures for column construction, overhead guideway installation and curb and gutter restoration. Traffic modifications will also continue within the Kalihi Transit Center as needed for construction of the Kahauiki (Middle Street Transit Center) Station.

Crews will be working 24/7 behind roadway barriers in the shoulder lanes and median for construction activities.

Kamehameha Highway may be reduced to one lane in each direction overnight between 8 PM and 5 AM. Two-way traffic will be maintained on one side of Kamehameha Highway. Special duty police officers will be on-site to assist with traffic in the area.

Residents, businesses and motorists in the surrounding areas near Kalihi Stream and the Nimitz Viaduct are advised of ongoing construction noise that will occur during construction of the Kahauiki Station.

Additional lane closures may also take place during the day, during off-peak travel times and overnight.

Bus stops may be relocated during construction.

For up-to-date bus information, please visit [thebus.org](http://thebus.org). To view real-time bus arrival information go to [hea.thebus.org](http://hea.thebus.org).

Pedestrian access will be maintained on sidewalks throughout the corridor.

Drivers are advised to share the road with bicyclists and allow ample lane distance throughout the Airport Guideway and Stations alignment.

If you have any questions or comments, please call HART's 24-Hour Project Hotline at (808) 566-2299 or email [Info@HonoluluTransit.org](mailto:Info@HonoluluTransit.org). You can also visit the project website at [www.HonoluluTransit.org](http://www.HonoluluTransit.org).

## DRIVE WITH ALOHA AND ARRIVE ALIVE

Watch for workers ♦ Safety is everyone's kuleana

**Use these tips to keep workers, pedestrians and motorists safe.**

If you see orange cones, put down the phone even in crosswalks

Slow down and obey posted speed limits

Watch out for workers, they may be just feet away from the road.

Share the road. Don't tailgate cars and bicyclists.

**We get everyone home safely, everyday**
